

INDUSTRIAL SIZING SHEET

This sizing chart is to used to help determine the appropriate RPS Industrial System for you. Before making your purchase, please return this document to your sales representative to ensure that you receive the RPS System you require.

Contact Name: _____ Company: _____

Telephone: _____ Fax: _____

Email: _____

SITE INFORMATION

Latitude _____ Longitude _____

Nearest City _____ Elevation _____

Province/State _____ Country: _____

Lightning Probability ___ Low High ___

Winter Snow ___Yes No ___

LOAD INFORMATION

AC	DC	Current (Amps)	Voltage	Power (watts)	Operational Hrs/day	Ahrs/day	Load Description
<input type="checkbox"/>	<input type="checkbox"/>	_____	_____	_____	_____	_____	_____
<input type="checkbox"/>	<input type="checkbox"/>	_____	_____	_____	_____	_____	_____
<input type="checkbox"/>	<input type="checkbox"/>	_____	_____	_____	_____	_____	_____
<input type="checkbox"/>	<input type="checkbox"/>	_____	_____	_____	_____	_____	_____
<input type="checkbox"/>	<input type="checkbox"/>	_____	_____	_____	_____	_____	_____
<input type="checkbox"/>	<input type="checkbox"/>	_____	_____	_____	_____	_____	_____

Nominal DC Load Voltage _____ Other DC Voltage _____

SYSTEM REQUIREMENTS

Number of Systems _____

DC Equipment Voltage Tolerance _____ VDC to _____ VDC

Describe Site/Terrain _____

Days of Battery Storage (back-up time) Required: _____ Days

Special Requirements/Additional Comments
